It is important to the Director that we all deliver the same message about the law suit:

- The safety and security of both juveniles and staff is paramount to us
- IDJC has not been served with any paperwork about the law suit
- We believe in the work that we are doing with juveniles and strive to deliver the best opportunity for rehabilitation and competency development for them

JSC's- if parents express concerns, follow the flow chart. Encourage them to talk to their juveniles, come and visit their juveniles, and stay in frequent touch with them.

Refrain from talking about specifics about the lawsuit. Please never talk about this in front of the juveniles.

Also, please read and become familiar with policy #630 and #366.30

Use your best judgment and if any questions arise, please ask.

Thanks,

Sandra
