Sharon and Pat,
Rhonda's supervisor, Julie McCormick, made it clear to Pat and I that Rhonda's schedule was 8:30 until 4:30 M-F. I reported to you today Sharon that Rhonda spent 25 minutes out on the facilities front lawn for 25 minutes. I watched from my office window, video recording does not record that area on the front lawn. The Population report is going out today from Rhonda at 5:26pm, which means she worked over her schedule. I will check with Julie to see if this overtime was pre-approved, and will advise on what Julie reports.
