Pat,

Do me one last favor. Stay on top of Mark and Rhonda Ledford.

As you know I have been a nurse for 30 years. Rhonda's report of having a MRSA infection causes me a concern, for I don't see how she could have been released to come back to work within 2 days. That infection is nasty Pat. Plus she was, once again on TV talking about the Julie McCormick case while on our sick leave.

We are being took Pat, I just wish I could have proved that. Stay in touch with Mark, you and I both have concerns regarding his willingness to hold his staff accountable.

Thank you
