I heard that Cerda was crying this weekend after a conversation with Laura. I also heard that Ramos had a run-in with Laura about his desire to move units. The gossip is a bit upsetting, if it's true.

Sorry, I had Ramos in my office regarding scheduling when you called.

I've placed the CD on your desk.

On a side note – I believe you should speak to Anthony Ramos and Sarah Cerda about some incidents that have reportedly occurred with Laura this past week.
