Regarding Unit Manager recruitment, I talked with Mike at DHR yesterday and asked about the timelines for unit manager. Apparently both Mike Savoie and Dennis Moberly were working on the job analysis. Bev W. was consulted and Mike said he tried to contact Dave a couple of times but didn't get him. He had determined that he didn't need to talk with Dave. Mike said he thought the job analysis was complete and that the supervision minimum qualification would remain as is, most likely. They are drafting a new test but it is not ready yet.

I have asked Joyce to draft a new announcement and work with Dave on it to see if there are any wording changes from the last announcement. Betty, you and Dave will need to determine how you want to announce: Open competitive, statewide promotional (could be some current state employees that would qualify) or departmental promotional.

Once DHR gives the go ahead we will get it opened up.

What is the plan now for the Unit Manager position here at Nampa?

Thank you in advance for any information you can provide.
