Yes, good point. I almost asked him yesterday if he thought working at the vets or somewhere might be less stressful but then it's like do we want try to transfer him to another agency...I don't want HR folks to be mad at us!!!

Julie,

If we are speaking with Frank again, I was thinking that we might ask him if he thinks he would have the same stress levels if he was not working with juvenile offenders. Would working as an LPN in another environment (job) be less stressful?
